HIS GRACE, JOHN, OF COLORADO SPRINGS

# Announcement

The Genuine Orthodox Church of America issued an Anathema against the heretic Cyprian of Oropos and Fili and those who follow him, on the Sunday of Orthodoxy, 2009.

To the deposed Metropolitan Cyprian Koutsoumbas, “the Exorcist,” who propagates demonic teaching, and to all those who follow him, who teach that those who fall into heresy are still part of the Church of Christ, and that their mysteries are grace-filled, and who teach that the Church of Christ is divided into two parts—one ailing with heresy and one healthy without heresy—and thus maintain that the holy body of Christ not only can be divided but also be infected with the disease of falsehood, who oppose the holy Apostle Paul who says that the holy Church is a “glorious Church, not having spot, or wrinkle, or any such things [Eph. 5:27],” and who commune heretics and have therefore succumbed to the heresy of Ecumenism,

ANATHEMA!

The text to this anathema is to be attached to the Synodicon of the Sunday of Orthodoxy, immediately after the 1983 Anathema against Ecumenism, issued by the Russian Church Abroad and to be read with the rest of the Synodicon.
